

Roll your own cigarettes are less natural and at least as harmful as factory rolled tobacco

Edwards, R.

Abstract

Poorer smokers may favour “roll your own” and many falsely believe that use of loose tobacco is less dangerous than factory made cigarettes, writes Richard Edwards. Specific interventions may be needed to encourage such smokers to quit.

Recommended Citation

Edwards, R. (2014). Roll your own cigarettes are less natural and at least as harmful as factory rolled tobacco. *British Medical Journal*, 348-.
