000zc	BI201	**Ask all.** Hello, my name is [interviewer name] from [survey firm]. Could I please speak to [participant name/ the person who helped us with a survey on smoking last year]?
000zd	BI208	*Once participant is on the line:* Hello, I'm calling from Roy Morgan Research regarding the phone survey on smoking that you completed about this time last year. You may recall that the survey is being conducted by an international group of universities and research institutions in four countries. We are calling to ask whether you would be willing to answer the follow-up survey that would take about 45 minutes. 　　1 Continue; respondent on phone 　　2 Respondent refuses interview 　　3 Unable to continue **If response = 1, go to 000zh/BI229.** **If response = 2, go to 000ze/BI425.** **If response = 3, go to 000zg/BI971.**
000ze	BI425	**Ask if 000zd/BI208=4.** This is a survey that is being conducted among smokers throughout the world. It's very important for the accuracy of the survey for smokers who agreed to do the survey to actually complete it. We would like to thank each person who takes part by sending them [payment]. We do not have an address for you, but we would be happy to send you the [payment]. I can record an address at the end of the interview if you'd like. Will you help us now by completing the survey today? We can arrange another time for you to complete the survey, if this time is not convenient. 　　1 Yes 　　2 No 　　3 Make appointment 　　4 Start interview again *If another time, make appointment.* **If response=1, go to 000zh/BI229.** **If response=2, go to 000zn/BI901.** **If response=3, make appointment.** **If response=4, go to 000zc/BI201.**
000zf	BI426	**If 000zd/BI208=2, or if, at any point, respondent refuses to participate.** **If letter has not been sent.**
000zg	BI971	**If 000zd/BI208=3.** *Enter reason for being unable to continue.*
