ET31707	ET31708	19-Jan-2015	CN5-CS	Ruth L	Anne Q	In CN1, this question included bars too, but from CN2 onwards, it was restaurants only, so should have the standard varname for restaurants.

PS31213	PS31214	01-Apr-2015	CN5-CS	Ruth L	Lorraine C said it would be safer and simpler to have one varname instead of both PS213 and PS214 for the generic (not YOUR) wording.	PS208,PS213, and PS214 were all being used for a mix of two wordings: 'cigarette smoke is dangerous to non-smokers' and 'YOUR cigarette smoke is dangerous to non-smokers'. PS208 was retained for the 'YOUR smoke' version, because there was documentation of that intention. PS213 was retained for the generic 'smoke is...' version, and PS214 was deleted entirely.

BQ31204	BQ31209	16-Jun-2016	CN5-CS	Shelly J	Ruth L.	The original wording of BQ209 was 'the price of cigarettes', but China translated this much more broadly as 'economic reasons'. China's wording could easily include the price of gas, the cost of heating your home, etc., which are usually covered by BQ216, cost of essentials. Therefore a completely new variable name was assigned to China's wording.

China used a wording that means something more like 'In the last 6 months, have you spent money on cigarettes that you knew would be spent on household essentials like food?' i.e. China omitted 'better' in 'would be better spent', which changes the meaning a

PS31238	PS31244	22-Jul-2016	CN5-CS	Shelly J	Ruth L.	This question is generally "smoking cigarettes is a sign of sophistication." BR31651	BR31631	16-Jan-2015	CN5-CS	Ruth L	Anne Q	Three of the varnames for 'reasons for 2nd brand' were also used in other countries for different meaning. Therefore I'm changing all of them to a completely unused series of variables names: BR65*CN1
SO31211o	SO31212o	22-Jul-2016	CN5-CS	Shelly J	Ruth L.	SO212 was changed to SO211 in China a while back but its follow-up ('other') question got missed in the original change. This change brings the follow-up question into line with its main question.
PS31244	PS31238	17-Aug-2016	CN5-CS	Shelly J	Ruth L	The wording of the question changed at W3, from 'smoking is a sign of maturity' to 'smoking is a sign of good taste', so the variable name has been changed for W3-5 to PS244. In other countries PS244 is worded 'smoking is a sign of sophistication', which is considered to have a comparable meaning.
PS31220	PS31214	17-Aug-2016	CN5-CS	Shelly J	Ruth L	Waves 1 and 2 had the standard question, you enjoy smoking too much to give it up. W3-5 changed to 'You enjoy smoking a lot'. This latter question has the variable name PS220 rather than PS214, which is used in other countries, because most countries do not have the addition of 'a lot'.
