## TABLE OF CONTENTS

ADULT SMOKER SCREENER SECTION.....	17
CONSENT SECTION .....	21

Q#	VarName	MY5-P
001	BI11208	<p><b>Ask if calling a respondent for the first time.</b></p> <p>[Hello (if non-Muslim) / Assalamulaikum (if Muslim)], my name is [interviewer name], and I'm calling from Universiti Sains Malaysia on behalf of an international group of researchers from universities and research institutions in several countries. We are conducting an important national survey on health issues in Malaysia. The survey is mainly about smoking. We are interested in finding out how things that happen in our country affect smoking. The survey asks about smoking, your views on smoking, and on your awareness of a range of things that are happening in the community. We are looking for smokers and non-smokers who would be willing to be interviewed every 12 to 18 months.</p> <p>I need to see whether anyone in your house qualifies for the survey. Can I speak to the person who is most knowledgeable about the members and happenings in the household? This will only take a few minutes and all responses will be kept absolutely confidential.</p> <ol style="list-style-type: none"> <li>1 Continue with current adult on phone (respondent is the most knowledgeable adult)</li> <li>2 Child answers the phone; no adult available at home now (call back)</li> <li>3 No adult in household (everyone in the HH is 17 or under)</li> <li>4 Respondent refuses to provide information and/ or get knowledgeable adult</li> <li>5 Respondent gets knowledgeable adult</li> </ol> <p><i>IF RESPONDENT ASKS HOW LONG THE HH ENUMERATION ITSELF TAKES, SAY:</i>  <i>"The questions about household members will take between 5 to 10 minutes."</i></p> <p><i>IF RESPONDENT ASKS HOW LONG THE SURVEY ITSELF TAKES, SAY:</i>  <b><i>If adult quota open:</i></b> <i>"The adult survey takes about 60 minutes, depending on the answers and adult respondents who take part in it will receive a token of appreciation for their time. We are also interested in youth living in the household. The survey for youth is self-administered and it will be by mail."</i></p> <p><b><i>If adult quota full:</i></b> <i>"We have fulfilled the quota for adult respondents but we are interested in youth living in the household. The survey for youth is self-administered and it will be by mail, and they will receive a token of appreciation for their time."</i></p> <p><b>If response=1, go to 007/BI311.</b>  <b>If response=2, go to 005/BI250.</b>  <b>If response=3, go to 271/BI920 (CS19).</b>  <b>If response=4, go to 006/BI310.</b>  <b>If response=5, go to 002/BI212.</b></p>
002	BI11212	<p><b>Ask if 001/BI208=5.</b></p> <p>[Hello (if non-Muslim) / Assalamulaikum (if Muslim)], my name is [interviewer name], and I'm calling from Universiti Sains Malaysia on behalf of an international group of researchers from universities and research institutions in several countries. 003	BI11213	<p><b>Ask if calling back to continue the enumeration. (i.e. Different introductory script required).</b>  Hello (if not Muslim) / Assalamualaikum (if Muslim), my name is _____ and I am from Universiti Sains Malaysia. May I speak to [name of respondent].  <b>When informant is on the line:</b> I am calling regarding the survey on smoking that we started but did not complete. Would you be available now to finish the survey?</p>
004	BI11526	<p><b>Read the script if the respondent asks for more information about the survey:</b>  a) IMPORTANCE OF SURVEY – WHO IS DOING IT  This is a comprehensive survey of smokers and non-smokers in Malaysia and other countries that has to do with beliefs, attitudes, knowledge, and behavior about tobacco use. It is being carried out by researchers from University of Waterloo, Canada, and the Universiti Sains Malaysia.</p> <p>This project is funded by an ongoing grant from the US National Cancer Institute. A major goal of the survey is to examine how smokers in Malaysia differ or are the similar in their views towards smoking. Another goal is to examine the opinions of youth towards smoking.</p> <p>B) WHAT'S IN IT FOR ME or MY HOUSEHOLD?  <b>If adult quota open:</b> We will talk on the telephone to selected members of the household who smoke for about [survey length] and we think you will find the questions quite interesting. In addition, we will send each participant a gift equivalent to [adult payment] in appreciation of your involvement in this survey. If your household has a youth participant we will send a cheque for [youth payment] in appreciation of the youth's time.  <b>If adult quota full:</b> This is an important study about youth and we will send a cheque for [youth payment] in appreciation of the youth's time.</p>
005	BI11250	<p><b>Ask if 001/BI208=2, 002/BI212=3 or 003/BI213=3.</b>  What would be a better time to call back, to ask these questions?  1 Willing to make appointment  2 Refuses to make appointment  <b>If need to talk to someone else who is currently unavailable, say:</b> <i>Could you please tell me their name so that I know whom to ask for?</i>  <b>If response=1, record callback info and terminate call.</b>  <b>If response=2, go to 006/BI310.</b></p>
006	BI11310	<p><b>Ask if 001/BI208=4 or 002/BI212=2 or 003/BI213=2 or 005/BI250=2.</b></p>

Q#	VarName	MY5-P
		<p><i>If necessary: See Help Screens for additional background information.</i></p> <p>This is an important survey because it is being conducted among smokers as well as non-smokers throughout the world. It is important to obtain a good representative sample.</p> <p><b>If adult quota open:</b> We do send a cheque of [payment] as a token of appreciation for the [survey length] survey. Could I ask you a few questions to see if anyone in your household is eligible?</p> <ol style="list-style-type: none"> <li>1 MKI (most knowledgeable individual) continues to refuse</li> <li>2 MKI agrees to answer questions</li> <li>3 MKI wants to make an appointment</li> </ol> <p><b>If response=1, go to 015/BI202.</b>  <b>If response=2, go to 007/BI311.</b>  <b>If response=3, record callback info and terminate</b></p>
007	BI11311	<p><b>Ask if 001/BI208=1 or 006/BI310=2 or 002/BI212=1 or 003/BI213=1.</b></p> <p>Thank you. I first need to ask a few questions about the household for enumeration purposes in order to select eligible household members for the survey.</p> <ol style="list-style-type: none"> <li>1 Continue with current respondent</li> <li>2 Respondent will get new MKI</li> </ol> <p><b>If response=1, go to 013/BI320.</b>  <b>If response=2, go to 008/BI211.</b></p>
008	BI11211	<p><b>Ask if 007/BI311=2.</b></p> <p>[Hello (if non-Muslim) / Assalamulaikum (if Muslim)], my name is [interviewer name], and I'm calling from Universiti Sains Malaysia on behalf of an international group of researchers from universities and research institutions in several countries.
