001	BI208	<p>Ask if calling a respondent for the first time. [Hello (if non-Muslim) / Assalamualaikum (if Muslim)], my name is [interviewer name], and I'm calling from Universiti Sains Malaysia on behalf of an international group of researchers from universities and research institutions in several countries.</p> <p>We are conducting an important national survey on health issues in Malaysia. The survey is mainly about smoking. We are interested in finding out how things that happen in our country affect smoking. The survey asks about smoking, your views on smoking, and on your awareness of a range of things that are happening in the community. We are looking for smokers and non-smokers who would be willing to be interviewed every 12 to 18 months.</p> <p>I need to see whether anyone in your house qualifies for the survey. Can I speak to the person who is most knowledgeable about the members and happenings in the household? This will only take a few minutes and all responses will be kept absolutely confidential.</p> <ol style="list-style-type: none"> 1 Continue with current adult on phone (respondent is the most knowledgeable adult) 2 Child answers the phone; no adult available at home now (call back) 3 No adult in household (everyone in the HH is 17 or under) 4 Respondent refuses to provide information and/ or get knowledgeable adult 5 Respondent gets knowledgeable adult <p><i>IF RESPONDENT ASKS HOW LONG THE HH ENUMERATION ITSELF TAKES, SAY: "The questions about household members will take between 5 to 10 minutes."</i></p> <p><i>IF RESPONDENT ASKS HOW LONG THE SURVEY ITSELF TAKES, SAY: If adult quota open: "The adult survey takes about 60 minutes, depending on the answers and adult respondents who take part in it will receive a token of appreciation for their time. We are also interested in youth living in the household. The survey for youth is self-administered and it will be by mail." If adult quota full: "We have fulfilled the quota for adult respondents but we are interested in youth living in the household. The survey for youth is self-administered and it will be by mail, and they will receive a token of appreciation for their time."</i></p> <p>If response=1, go to 008/BI311. May I speak to [name of respondent].</p> <p>When informant is on the line: I am calling regarding the survey on smoking that we started but did not complete. Would you be available now to finish the survey?</p>
005	BI11526	<p>Read the script if the respondent asks for more information about the survey: a) IMPORTANCE OF SURVEY – WHO IS DOING IT This is a comprehensive survey of smokers and non-smokers in Malaysia and other countries that has to do with beliefs, attitudes, knowledge, and behavior about tobacco use. It is being carried out by researchers from University of Waterloo, Canada, and the Universiti Sains Malaysia.</p> <p>This project is funded by an ongoing grant from the US National Cancer Institute. A major goal of the survey is to examine how smokers in Malaysia differ or are the similar in their views towards smoking. Another goal is to examine the opinions of youth towards smoking.</p> <p>B) WHAT'S IN IT FOR ME or MY HOUSEHOLD? If adult quota open: We will talk on the telephone to selected members of the household who smoke for about [survey length] and we think you will find the questions quite interesting. In addition, we will send each participant a gift equivalent to [adult payment] in appreciation of your involvement in this survey. If your household has a youth participant we will send a cheque for [youth payment] in appreciation of the youth's time.</p>

FR11351	BR11615	16-Jan-2015	MY5-P	Ruth L	Anne Q	There were 2 distinct series of varname for 'why choose RYO'. The ones I'm changing overlapped with other meanings, so I'm switching them to the FR* varnames that are already used for this content by 4C, EU & KR, which don't conflict with any others.	
BR11325	BR11303	19-Jan-2015	MY5-P	Ruth L	Anne Q	BR303 is used for multiple meanings, even beyond the CN conflicts in BR names. Changed to BR325, the varname used by other countries for this content (cig length).	
KN11259	KN11256	19-Jan-2015	MY5-P	Ruth L	Anne Q.	Anne said to separate throat & mouth/oral cancer from mouth cancer (and throat cancer, potentially). Therefore these questions about mouth cancer need to be changed to a new varname.	
BR11314	BR11313	24-Mar-2015	MY5-P	Ruth L	Ruth L.	For unknown reasons, both BR313 and BR314 were used for tax-stamp questions, and now all are named BR314. BR313 is also (and preferentially) used for RYO brand name in NL1-8 and FR1-3. This rename will untangle the two meanings.
